Tuition and endowment income cover most, but not all, of the operating budget. The Annual Fund fills the gap to ensure the exceptional quality of education each child receives.

Make The Difference.
Detroit Country Day School has always been a special place, one where the scholar, athlete, and artist are inseparably intertwined. As our students mature as scholars, we guide them in also becoming more aware, in seeing more clearly their place within the community, in recognizing their responsibilities, and putting their ideals into action.
Each of us plays an important part in DCDS’ success. The more families who contribute, the greater the impact we have together.

Share the Commitment.

Show You Care.

Giving is a tangible way to reaffirm your DCDS connection—to show your support for the excellence of our students, faculty, and community.

An emerging priority realized over the past decade has involved the growth of technological capability and fluency at the school. From a transformation of traditional Middle School classrooms into mobile, collaborative learning spaces to the school’s Bring Your Own Device policy, technology has been leading a revolution in learning on the DCDS campuses. Funds raised through the 2015-2016 Detroit Country Day Annual Fund will support enhanced learning opportunities in our academic, athletic, and arts programs.

Detroit Country Day School is well positioned to build on these successes and we look to the future with excitement and a spirit of optimism.

In our first 100 years, the DCDS community has witnessed considerable growth and celebrated many achievements.
Mens Sana In Corpore Sano Society

The Mens Sana In Corpore Sano Society honors alumni, parents, faculty & staff, and friends who donate $1,000 or more in any given school year to the Annual Fund, Friends of the Arts, Blue & Gold, capital efforts, the endowment and more.
