The National Lacrosse Team of Scotland is pleased to announce that John Kenney, of Detroit Country Day, has been selected as the head coach of the National team that will compete in the 2008 European Championships.

"We are fortunate to have landed one of top high school coaches in the game," stated Oliver Findlay – head of Scotland's Performance Group. "John's experience at the international level, his passion for the game as well as his career successes make him a natural fit to carry the program forward."

The European Championships will be held at Lahti, Finland in August 2008

"I am thrilled and honored to take on this challenge. Lacrosse is growing exponentially and I am excited to be a part of that growth internationally. To be working with a seasoned performance group and to be a part of the 2008 European Games is to be part of the game's future."

Kenney has spent over two decades on the lacrosse sidelines, earning 314 victories including 2 State Championships, 2 Empire State Championships, 3 Midwest Divisional Championships, 2 Suffolk County Championships and was a member of the coaching staff that captured the 2003 U-19 World Championships for team USA.
