Three Upper School Seniors Named Intel Science Talent Search Semifinalists

BEVERLY HILLS, Mich., January 31, 2007 – Congratulations to Amardeep Grewal, Sohan Mikkilineni and Subha Perni, Country Day seniors who were named to the Intel Science Talent Search's semifinalist list. The semifinalists were chosen from among 1,705 entrants from across the United States and overseas.

The semifinalists of the 66th Intel Science Talent Search were chosen from among 1705 entrants representing 487 high schools in 46 states, the District of Columbia, Puerto Rico, and five overseas schools. Three hundred Semifinalists and their schools will receive matching awards of \$1,000. From this group of 300 Semifinalists, 40 Finalists will be chosen to attend the Science Talent Institute in Washington, D.C. from March 8-13, 2007. During their trip to Washington, the Finalists will participate in a final judging process and share in \$530,000 in scholarships. The top prize of a \$100,000 scholarship will be announced at a black tie banquet and awards ceremony on March 13, 2007.

Detroit Country Day is an independent, coeducational, college preparatory school offering a liberal arts pre-kindergarten through 12th grade education. Founded in 1914, the school provides a foundation for lifelong learning within an environment of educational excellence and cultural diversity. Detroit Country Day (www.dcds.edu) serves more than 1,550 students on its four Birmingham/Beverly Hills-area campuses.
