Skin Cancer and Melanoma rates are increasing. Come learn why and hear about what you can do to decrease your risk.

Dr. Anil Singal, M.D. is the featured speaker. He is Chief Resident in the Dermatology Department at the University of Michigan Health System.

Come learn general facts about skin cancer and melanoma prevention, screening, and treatment. The presentation will be followed by a question and answer period.

This event is co-sponsored by the University of Michigan Comprehensive Cancer Center Community Outreach Office and Neil Gurram and Family.
