DETROIT COUNTRY DAY SCHOOL

Summer Programs

Fond childhood memories start here.

For more information visit: www.dcds.edu/summerprograms
**Summer Programs at the Maple Road Campus (Lower School)**

Detroit Country Day Lower School is proud to offer a unique summer camp style program that will challenge and intrigue your child from three to nine years old. The series consists of five weekly sessions created and instructed by Detroit Country Day Lower School teachers. Each session provides a hands-on experience aimed to stimulate and motivate your child. The sessions offer a variety of themes and adventures that incorporate academics, creativity, and enrichment. Weekly themes range from science to computers, cooking to nature, literature to crafts guaranteed to entice your child. Minimum group size is 8 children. Children must be potty trained and three years old before June 15, 2015. Children ages three and four have the option to participate in half day or full day camp.

**Weeks of:** June 15 - July 24  
**Before Care Hours:** 8:00 AM – 9:00 PM  $25 per week  
**Camp Hours:** 9:00 AM - 3:00 PM  (½ day sessions for three and four year olds; 9:00 AM -12:00 PM)  
**After Care Hours:** 3:00 PM -5:30 PM  $50 per week  
**Camp Fee ½ Day Session:** $200 per week  (available for three and four year olds only)  
**Camp Fee Full Day Session:** $300 per week  
**Late Pick-Up Fee:** $5 late fee for every 10 minute interval, payable upon pick-up.  
*Water play will be offered daily. Bring bathing suit, sunscreen, and towel every day. All campers need a peanut free snack and lunch each day.

**Summer Programs at the Hillview Campus (Middle School)**

The Leadership Academy and a variety of sports camps will take place at our Hillview Campus off of Lahser Road just south of Thirteen Mile Road.

**Summer Programs at the Thirteen Mile Road Campus (Upper School)**

A multitude of academic, art, drama, activity and athletic programs are offered for the a wide range of ages on our Thirteen Mile Road Campus on the corner of Thirteen Mile Road and Lahser Road.

Advanced Composition

Advanced Composition is a course designed for academically able 7th and 8th graders as well as any high school students who want to reinforce their reading and writing skills, build their vocabulary level, and understand and apply grammar rules to their writing. Students will read and analyze a short story every day, learn 100 vocabulary words a week, write creative and analytical papers. Assessments are given daily. Students can take the course for credit to improve their previous English GPA or to just learn to read and write with more skill. An English notebook and exam at the end of the course are required.

Instructor: Beverly Hannett-Price
Program Contact: Glen Shilling at gshilling@dcds.edu or (248) 430-1635

Algebra I

This course is designed to provide the student with a strong foundation for subsequent secondary mathematics courses. Course content includes the properties of the real number system, equation solving, operations with polynomials and rational expressions, factoring polynomials, graphing linear and quadratic equations and inequalities, working with functions, and solving systems of equations. A student may enroll for enrichment or grade enhancement.

Instructor: Jane Pohl
Program Contact: John Williams at jwilliams@dcds.edu or (248) 430-1071

Algebra II

This second year algebra course includes a review of Algebra I topics in addition to the introduction of concepts necessary for successful precalculus and calculus studies. Topics include manipulations of real numbers, solving equations and inequalities, graphing and solving systems of equations, simplifying polynomials and rational expressions, transformations of relations and functions, solving exponential and logarithmic equations. Sequences and series, permutations, combinations and probability are introduced in this course. A student may enroll for enrichment or grade enhancement.

Instructor: TBA
Program Contact: John Williams at jwilliams@dcds.edu or (248) 430-1071

American Government

This course examines the constitutional underpinning and functioning of the American government. Political beliefs and behavior, political party formation, campaigning and voter turnout are explored. The impact of special interests and the mass media follow. The key components of the national government: the presidency, congress and courts are investigated in depth. Special attention is given to local and state government and issues. Investigative readings and web assignments cover such topics as third parties, voter turnout, campaign spending, interest groups and US Supreme Court cases. A student can earn .5 credit toward history requirement and graduation.

Instructor: Don Corwin
Program Contact: Don Corwin at doorwin@dcds.edu or (248) 430-1685
Calculus

6/15/2015 - 7/10/2015
Grades 9 - 11, 8:30 AM - 12:00 PM

The course is intended to strengthen the student’s understanding of secondary mathematics, increase their capability of working with mathematical expressions and prepare them to take a formal course in calculus. A review of algebra and trigonometry is included and the basic concepts of calculus are introduced using the graphics calculator and available technology. Topics studied are: analytical geometry, limits, curve sketching, differentiation and its applications, the integral and its applications, composite functions, transcendental functions, and basic integration techniques. A student may enroll for enrichment or grade enhancement.

Instructor: TBA
Program Contact: John Williams at jwilliams@dcds.edu or (248) 430-1071

Foundations of Studio Art

6/15/2015 - 7/10/2015
Grades 9 - 12, 12:30 PM - 4:00 PM

This course will prepare students for all studio classes offered at DCDS: painting, drawing, ceramics, sculpture, photography, computer-graphics, jewelry, metals, fibers and textiles. The course is based on a college level foundation emphasizing the Elements and Principles of Art and Visual Design. It is a project based class with a cultural and historical framework to better understand the building blocks of all art. Students who complete this course will receive .5 credit toward the one full art credit graduation requirement.

Instructor: Mary Ann deVogel
Program Contact: Tim Bearden at tbearden@dcds.edu or (248) 320-4689

Geometry

6/15/2015 - 7/10/2015
Grades 8 - 10, 8:30 AM - 12:00 PM

This course integrates topics from geometry and algebra. The emphasis is on the development of logical and sequential reasoning within the structure of a geometric system, and the development of the basic postulates and theorems of Euclidean geometry. Students study concepts of formal proof, congruence, similarity, indirect proof, ratio and proportions, quadrilaterals and polygons, circle and angle relationships, areas and perimeter of polygons, and volumes and surface area of solids. A student may enroll for enrichment or grade enhancement.

Instructor: Jim Desantis
Program Contact: John Williams at jwilliams@dcds.edu or (248) 430-1071

Health

6/15/2015 - 7/10/2015
Grades 8 - 9
8:30 AM - 12:00 PM • Morning Session
12:30 PM - 4:00 PM • Afternoon Session

Health is a required course for graduation, and this summer course satisfies that requirement. Health course covers topics including nutrition, substance abuse, human sexuality, relationships, lifesaving and CPR. Students will leave the course certified in CPR.

Instructor: TBA
Program Contact: Tim Bearden at tbearden@dcds.edu or (248) 646-7717
Hybrid Algebra II

This course will allow the student flexibility in their study of Algebra II topics. The class will meet two days a week and then the student will work on Math XL and/or projects the other three days of the week. If a student received below a 75 in UMA223 it is recommended that they attend the daily summer course. Topics include manipulations of real numbers, solving equations and inequalities, graphing and solving systems of equations, simplifying polynomials and rational expressions, transformations of relations and functions, solving exponential and logarithmic equations. Sequences and series, permutations, combinations and probability are introduced in this course. A student may enroll for enrichment or grade enhancement.

Instructor: John Meyers
Program Contact: John Williams at jwilliams@dcds.edu or (248) 430-1071

Lego Robotics Camp

Learn how to use the LEGO Mindstorms EV3 robots in a fun, interactive, and competitive environment! Great practice for those who wish to participate in FIRST LEGO League in the fall of 2015.

Instructor: Wayne Wheatley
Program Contact: Wayne Wheatley at wwheatley@dcds.edu or (248) 430-3689

Love to Read: Literacy Camp

This six week enriching academic summer reading program is designed as a fun and aggressive way to combat summer learning loss and promote significant gains in your child's reading comprehension, accuracy, fluency and vocabulary. This literacy program emphasizes reading and writing, and facilitates meaningful discussion on relevant topics. All students will be assessed at the beginning and end of the program to measure growth and continue to guide reading instruction. A class size limit of eight will ensure that every child will receive an individualized reading instruction plan, tailored to specific instructional needs. The instructor is a DCDS Enriched Reading Instructor.

Instructor: Christina DelPizzo
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Precalculus

This course is intended for those students who would like to strengthen their secondary mathematics background and for those students who are planning to study calculus in the future. Topics from Algebra II are reviewed and studied in greater depth and an emphasis is placed on graphing functions and exploring the behavior of functions using a graphics calculator. Real-world problem situations are used as the means to approach and teach concepts and skills. Topics studied include polynomial functions, circular and trigonometric functions, graphs of trigonometric functions and their inverses, polar coordinates, analytical trigonometry, exponential and logarithmic functions, solving a system of equations, sequences/series, combinatorics and probability. A student may enroll for enrichment or grade enhancement.

Instructor: John Williams
Program Contact: John Williams at jwilliams@dcds.edu or (248) 430-1071
Rebels & Romantics

6/15/2015 - 7/10/2015
Grades 10 - 12, 8:00 AM - 11:30 AM

Rebels & Romantics is a new English course at the Upper School, which can be taken to earn a half credit of general English study towards total graduation credit requirements. This course explores literary and historical connections between rebellious and romantic figures in literary and American history, using fiction and non-fiction pieces. Students will develop skills in literary analysis, writing, and critical thinking in a project oriented course. This course will be offered as a hybrid course, with half or more of the meetings online, requiring only two to three days per week of in-person attendance.

Instructor: Tim Bearden
Program Contact: Tim Bearden at tbearden@dcds.edu or (248) 646-7717

Science Research Techniques

6/15/2015 - 7/10/2015
Grades 10 - 12, 12:30 PM - 4:00 PM

This one-semester course will explore various types of data collection, and expose students to statistical and graphical approaches to data analysis that are used across all of the scientific disciplines. Experiments in several fields of science will be carried out from measurement through presentation before students are charged to design and carry out their own experiment to finish the class.

Prerequisites: Geometry and Biology

Instructor: Patricia Hanlan
Program Contact: John Williams at jwilliams@dcds.edu or (248) 430-1071

Study Skills

6/15/2015 - 7/10/2015
Grades 6 - 9, 8:30 AM - 12:00 PM

Effective study skills are essential for academic progress. Productive study habits, attitudes and skills distinguish a good student from a poor student. The Study Skills Program is designed to develop and improve the English and mathematics skills and habits of good, average, and below average students. This is our 46th summer of offering quality instruction in study skills.

Instructor: Wayne Wheatley
Program Contact: Glen Shilling at gshilling@dcds.edu or (248) 430-1635

Writing Workshop

6/15/2015 - 7/10/2015
Grades 6 - 9, 8:30 AM - 12:00 PM

Individualized instruction stresses grammar, sentence construction, outlining, paragraph formulation, spelling, note-taking and summarizing skills, practice in writing clear and concise answers to essay questions and expository writing. This course emphasizes developing effective oral and written communications. Students may use computers to improve writing skills and performance.

Instructor: TBD
Program Contact: Glen Shilling at gshilling@dcds.edu or (248) 430-1635
Creative Computing  

Grades 6 - 8, 12:30 PM - 3:30:00 PM

Campers will learn and practice computer programming concepts. Creativity and problem solving will be emphasized. The Scratch programming platform will be featured, with opportunities to explore other languages and computing concepts using tools such as MaKey MaKey, Arduino, and Introductory Electronics. Participants should bring a laptop computer and peanut free snack.

Instructor: Jennifer Degazio
Program Contact: Jennifer Degazio at jdegazio@dcds.edu or (248) 430-3588

Problem Solving Camp  

Thirteen Mile Campus  
Program Fee: $150

Grades 2 - 3, 9:00 AM - 3:00 PM

Numbers are integral to everyday life and this camp will explore them in a variety of ways. Campers will learn fun number facts, solve and create problems, play number computer games, create origami animals, and read and make recipes using their number skills. All campers will be encouraged to think outside the box.

Instructor: Dr. Lynda Ludy
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

9th Grade Study Strategies For High School Success  

Thirteen Mile Campus  
Program Fee: $160

Grades 9, 9:00 AM - 12:00 PM

Learning "how to learn" is one of the most important skills a student can achieve throughout their school experience. This two day back-to-school program is designed to help students build confidence and think strategically about their learning styles. Students will set goals for a positive start to ninth grade as they inventory their individual strengths and learn to "think like a teacher." Students will try out various study strategies, design a system of organization for their ninth grade year, organize the file folders in their computer and create study guide templates. All materials and a starter set of supplies are included in the class. Students are encouraged to bring their laptops if that is how they intend to take notes in school. To help personalize instruction, there will be a short learning styles questionnaire to be completed prior to class. Also, please note that if the student is involved in a fall sport, we designed the program so that only one day of practice would be missed (hence the reason this is offered on Friday and Saturday). Coaches should understand one absence prior to school starting. The instructor is a former Upper School history teacher, and currently Director of Professional Development and Dean at the Middle School.

Instructor: Denise Liberty
Program Contact: Denise Liberty at dliberty@dcds.edu or (248) 388 - 3470
Bonjour Paris!

A French adventure is in store for your child! This camp will introduce three and four year olds to Parisian life through music, artistic expression, culture, cooking and other fun activities.

Instructor: Alyssa Marcangelo
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Computer Lego & Coding

Learn how to construct awesome 3-D LEGO models and bring them to life. The program allows campers to utilize technology for collaboration, team-building and creativity. The following are examples of models that will be constructed: Hungry Alligator, a ferris wheel, a carousel, and race cars. Campers will also use coding to make the Angry Bird move and Elsa from “Frozen” make a square.

Instructor: Charlayne Watkins
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Cupcakes, Cookies & Pies!

We will bake and decorate delicious holiday-themed treats, create crafts and enjoy activities to make our Halloween, Thanksgiving, Valentine's Day, and Independence Day celebrations complete. Every day's a party – and you're invited!

Instructor: Bonnie Mirbach
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Music Camp

Unleash your child's inner musician at this camp where they will learn to sing partner songs, play instruments and music games, explore dramatic play, and create music-themed crafts. This camp will be music exploration at its best!

Instructor: Molly Kackloudis
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509
Ice Princesses and Snowmen

(Section 1)

6/15/2015 - 6/19/2015
Grades K - 1,  9:00 AM - 3:00 PM
Maple Road Campus
Program Fee: $300

Join us for a magical winter wonderland fantasy journey in the summer! Campers will play games, dress-up, enjoy songs, dance, and create various winter projects.

Instructor: Kelly Hincks
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Lego Robotics Camp

6/15/2015 - 7/2/2015
Grades 5 - 8,  12:30 PM - 3:00 PM
Thirteen Mile Campus
Program Fee: $495

Learn how to use the LEGO Mindstorms EV3 robots in a fun, interactive, and competitive environment! Great practice for those who wish to participate in FIRST LEGO League in the fall of 2015.

Instructor: Wayne Wheatley
Program Contact: Wayne Wheatley at wwheatley@dcds.edu or (248) 430-3689

Love to Read: Literacy Camp

6/15/2015 - 7/24/2015
Grades 2 - 4,  9:00 AM - 3:00 PM
Maple Road Campus
Program Fee: $1775

This six week enriching academic summer reading program is designed as a fun and aggressive way to combat summer learning loss and promote significant gains in your child's reading comprehension, accuracy, fluency and vocabulary. This literacy program emphasizes reading and writing, and facilitates meaningful discussion on relevant topics. All students will be assessed at the beginning and end of the program to measure growth and continue to guide reading instruction. A class size limit of eight will ensure that every child will receive an individualized reading instruction plan, tailored to specific instructional needs. The instructor is a DCDS Enriched Reading Instructor.

Instructor: Christina DelPizzo
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Medieval Castle Camp

6/15/2015 - 6/19/2015
Grades K - 1,  9:00 AM - 3:00 PM ■ Section 1
Grades 1 - 2,  9:00 AM - 3:00 PM ■ Section 2
Maple Road Campus
Program Fee for Section 1: $300
Program Fee for Section 2: $300

All knights and princesses travel back in time with us to explore the medieval world and create our own kingdom. Campers will build a large cardboard castle, create costumes and projects, play medieval games, and prepare a feast in the tradition of medieval times. Campers' imaginations will be fully charged during this camp!

Instructor: Marnie DuRoss (Section 1), Sharon Catalano (Section 2)
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509
Out of This World Camp
Maple Road Campus
Program Fee: $300

6/15/2015 - 6/19/2015
Grades K - 1, 9:00 AM - 3:00 PM

Does your child have an interest in space or being an astronaut? This camp will teach amazing fun facts about each planet in our solar system. Campers will also be engaged in a play called, Neighbors in Space, where each will play a certain aspect of our solar system and share their favorite facts. Discovering a realm beyond our world is sure to pique imagination and fascination with astronomy.

Instructor: Colleen Tarolli
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Stories and Morning Glories
Maple Road Campus
Program Fee: $300
Program Fee: $200

6/15/2015 - 6/19/2015
Grades PK3 - PK4
9:00 AM - 3:00 PM • Full Day
9:00 AM - 12:00 PM • Half Day

In this camp children will enjoy the prose and art inspired by the beautiful flowers and plants found in our own backyards. Campers will take nature walks around the school studying the variety of plant life and use their findings for inspiration in their stories and artwork.

Instructor: Katie Maisonville
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Summer Fun
Maple Road Campus
Program Fee: $300

6/15/2015 - 6/19/2015
Grades PK4 - K, 9:00 AM - 3:00 PM

Campers will celebrate everything that's fun in summer! Water and sand play will be essential components of this camp as well as creating summertime menus, setting up lemonade stands, treasure chests, and sand art. Swim suits and towels are a must!

Instructor: Jeanne Cottom
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Team Sports Camp
Maple Road Campus
Program Fee: $300

6/15/2015 - 6/19/2015
7/13/2015 - 7/17/2015
Grades 1 - 2, 9:00 AM - 3:00 PM

This camp will teach children sports skills and what it means to part of a team whether it be baseball, basketball, hockey, or volleyball. Campers will play the different sports and participate in miniature games. Campers will come up with team names and motto's with the goal of having fun while learning a variety of team sports.

Instructor: Chris Hughes
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509
American Girl Doll Camp
6/22/2015 - 6/26/2015
Grades 1 - 2, 9:00 AM - 3:00 PM
Maple Road Campus
Program Fee: $300

If the American Girl doll is a favorite toy in your household, have your child bring her in for a fun week of camp! Together, we will explore the original five American Girl dolls through stories, games, crafts, movies and play. Each day will be a new theme with fun activities like a slumber or tea party.

Instructor: Stephanie Gendron
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Creative Computing
6/22/2015 - 6/26/2015
Grades 6 - 8, 12:30 PM - 3:30 PM
Hillview Campus
Program Fee: $150

Campers will learn and practice computer programming concepts. Creativity and problem solving will be emphasized. The Scratch programming platform will be featured, with opportunities to explore other languages and computing concepts using tools such as MaKey MaKey, Arduino, and Introductory Electronics. Participants should bring a laptop computer and peanut free snack.

Instructor: Jennifer Degazio
Program Contact: Jennifer Degazio at jdeazio@dcds.edu or (248) 430-3588

French Camp
6/22/2015 - 6/26/2015
Grades 1 - 2, 9:00 AM - 3:00 PM
Maple Road Campus
Program Fee: $300

Campers will be visiting famous monuments in Paris, touring Monet's Garden in Giverny, sampling French cuisine, and stopping in other cities along the way, all while reviewing French culture and vocabulary. Our French experience will include such things as music, art, games.

Instructor: Alyssa Marcangelo
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Ice Princesses and Snowmen
6/22/2015 - 6/26/2015
Grades PK3 - PK4
9:00 AM - 3:00 PM ▪ Full Day
9:00 AM - 12:00 PM ▪ Half Day
Maple Road Campus
Program Fee: $300
Program Fee: $200

Join us for a magical winter wonderland fantasy journey in the summer! Campers will play games, dress-up, enjoy songs, dance, and create various winter projects.

Instructor: Kelly Hincks
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Pee Wee Performers
6/22/2015 - 6/26/2015
Grades K - 1, 9:00 AM - 3:00 PM
Maple Road Campus
Program Fee: $300

This drama camp will teach skills in movement, improvisation, singing and dancing while preparing for a live stage performance at the end of the week. Not only will our campers receive the opportunity to develop an awareness of his or her acting potential, but they will also have fun creating scenery, costumes, and learning stage managing skills.

Instructor: Sharon Catalano
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509
Alternative Activities

Campers will enjoy engaging and physically stimulating relay races, tagging games, cooperative games and much more. Movement to music and drums will be incorporated throughout the week. The cooperative games will challenge the campers to complete different tasks using verbal and non-verbal communications.

Instructor: Chris Hughes
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509
Crazy Calendar Camp

6/29/2015 - 7/2/2015
Grades 1 - 2, 9:00 AM - 3:00 PM

In the Crazy Calendar Camp we will make a snowman, look for leprechauns, and trick-or-treat. Celebrate some of the best holiday traditions from the entire year in just one fun-filled week.

Instructor: Janine Gallant
Program Contact: Shaorn Deighton at sdeighton@dcds.edu or (248) 539-0509

Crazy Calendar Camp

6/29/2015 - 7/2/2015
Grades 1 - 2, 9:00 AM - 3:00 PM

In the Crazy Calendar Camp we will make a snowman, look for leprechauns, and trick-or-treat. Celebrate some of the best holiday traditions from the entire year in just one fun-filled week.

Instructor: Janine Gallant
Program Contact: Shaorn Deighton at sdeighton@dcds.edu or (248) 539-0509

Four Seasons in Four Days!

6/29/2015 - 7/2/2015
Grades PK3 - PK4
9:00 AM - 3:00 PM • Full Day
9:00 AM - 12:00 PM • Half Day

What is your child's favorite season? Whether it be winter, spring, summer or fall, campers will make crafts, sing songs, read stories and learn nursery rhymes about each season and its weather.

Instructor: Sheryl Klinger
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Creating a World of Art

6/29/2015 - 7/2/2015
Grades 1 - 2, 9:00 AM - 3:00 PM

Developing an artistic mind can be transformative and rewarding. This art camp is filled with creative, unique, and exciting projects to stimulate the imagination. Each day campers will be inspired by a new artist and encouraged to explore new creations and techniques using a variety of mediums.

Instructor: Melissa Parks, Sarah Kitchen
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Camp Kid Concoction

6/29/2015 - 7/2/2015
Grades K - 1, 9:00 AM - 3:00 PM

Innovation and creativity are the buzz words for this camp! Campers will use a variety of materials to concoct ten different experiments using a number of "top-secret recipes." Some materials we might use include: Bathtub Finger Paints, Funny Putty, Invisible Ink, and Cotton Clay. Campers will experience a wild, wacky, and exciting week of incredible project-based activities.

Instructor: Erica Engler
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

French Cafe Camp

6/29/2015 - 7/2/2015
Grades K - 1, 9:00 AM - 3:00 PM

Come experience a taste of France as we transform our classroom into our very own Parisian cafe! We will be making traditional favorites such as crepes, croque monsieur, and pain au chocolat. As we explore different recipes, each camper will make his/her own French cookbook to take home at the end of the camp. All recipes are nut-free.

Instructor: Alyssa Marcangelo
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509
Batter up! While developing a love for the game, campers will have an opportunity to learn the basic fundamentals of baseball - hitting the ball, throwing and catching, and running the bases. No equipment necessary.

Instructor: Emily Petts  
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

6/29/2015 - 7/2/2015  
7/13/2015 - 7/17/2015  
Grades PK3 - PK4  
9:00 AM - 3:00 PM • Full Day  
9:00 AM - 12:00 PM • Half Day

Lil’ Sluggers

Problem Solving Camp

Grades 2 - 3, 9:00 AM - 3:00 PM

Numbers are integral to everyday life and this camp will explore them in a variety of ways. Campers will learn fun number facts, solve and create problems, play number computer games, create origami animals, and read and make recipes using their number skills. All campers will be encouraged to think outside the box.

Instructor: Dr. Lynda Ludy  
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

6/29/2015 - 7/2/2015  
7/20/2015 - 7/24/2015  
Maple Road Campus

Program Fee Week One: $275  
Program Fee Week Two: $300

Sights & Sounds Camp

Instructor: Katie Maisonville  
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

6/29/2015 - 7/2/2015  
Grades PK3 - PK4  
9:00 AM - 3:00 PM • Full Day  
9:00 AM - 12:00 PM • Half Day

Campers will explore the multitude of sights and sounds within various environments such as the beach, picnics, camp sites, fire stations and even birthday parties! The classroom and activities will be designed to give children experiences that use all five senses as they analyze the sights and sounds in these environments.

Instructor: Stephanie Gendron  
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

6/29/2015 - 7/2/2015  
Grades 1 - 2, 9:00 AM - 3:00 PM

Soccer & Kickball Camp

Batter up! While developing a love for the game, campers will have an opportunity to learn the basic fundamentals of baseball - hitting the ball, throwing and catching, and running the bases. No equipment necessary.

Instructor: Katie Maisonville  
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

6/29/2015 - 7/2/2015  
Maple Road Campus

Program Fee: $275
Thomas the Train

Transportation Station

Grades PK3 - PK4
9:00 AM - 3:00 PM • Full Day
9:00 AM - 12:00 PM • Half Day

All aboard! Spend a week chugging along with Thomas & Friends at the train station. There will be theme related games, activities, books, and crafts for a week filled with train fun.

Instructor: Emily Petts
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Program Fee Full Day: $300
Program Fee Half Day: $200

Instructor: Kelly Hincks
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Baseball Fun

Grades 2 - 3, 9:00 AM - 3:00 PM

Come "play ball" and join us for one of America's favorite pastimes! The rules of baseball and each position will be explained while playing many baseball games. Skill development, speed, agility, and hand eye coordination will be emphasized in a way that promotes fun through healthy active play. All genders welcome.

Program Fee: $300

Instructor: Kim Spampinato
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Basketball Fun

Grades 1 - 2, 9:00 AM - 3:00 PM

Campers will hit the hardwood to learn the proper form and skills for shooting, layups, passing, defending and working together as a team. Each day there will be drills, games, and different basketball activities that focus on learning through fun. Children will come up with their own team names and motto's.

Program Fee: $300

Instructor: Chris Hughes
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Sports Camp - Girls Only!

Grades K - 2, 9:00 AM - 3:00 PM

Join this all-girls camp to learn to play basketball, volleyball, track, yoga, and more. Each girl will create their own sports journal to track what they have learned and their reflection on the new skills they will acquire.

Program Fee: $300

Instructor: Marta Krussman
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Basketball Fun

Grades PK3 - PK4
9:00 AM - 3:00 PM • Full Day
9:00 AM - 12:00 PM • Half Day

Campers will learn about new forms of transportation each day through books, crafts, games, and play. They will also explore all the fun and exciting ways to travel from one destination to another.

Program Fee Full Day: $275
Program Fee Half Day: $175
Ballet & Books
Grades PK3 - K
9:00 AM - 3:00 PM • Full Day
9:00 AM - 12:00 PM • Half Day

Campers will learn beginning ballet techniques that will improve coordination, flexibility, and muscle strength. The camp will teach complete barre and center work as well as dance performance. In combination with the ballet, we will read fun books related to ballet, such as Angelina Ballerina and Best Friends Wear Pink Tutus. We will focus on reading comprehension skills by creating a craft that relates to the story. No dance experience needed. Children are welcome to wear their ballet clothing, but it is not necessary. They need to wear something in which they can move.

Instructor: Kelly Hincks
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Arts & Science Safari
Grades 1 - 2, 9:00 AM - 3:00 PM

Join us on a journey around the globe as we learn about the Earth using a variety of art projects! From Antarctica to Africa to the North Pole, we will make things like edible volcanoes and igloos while learning about these amazing places on our planet. Cooking and eating is an integral part of this camp and may not be appropriate for children with multiple food allergies.

Instructor: Janine Gallant
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Arts & Crafts from Pinterest
Grades 1 - 2, 9:00 AM - 3:00 PM

This camp will be a fun-filled week of making artsy creations from Pinterest.

Instructor: Codee Tiano
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Young LEGO Engineers
Grades PK3 - K
9:00 AM - 3:00 PM • Full Day
9:00 AM - 12:00 PM • Half Day

This camp is designed to help introduce LEGO Robotics and engineering in a nurturing and playful way. The young learners will use some Duplo bricks and Legos for designing, building, and some programming. The program will help with developing fine motor and social skills. Children will be introduced to engineering vocabulary. This is a great opportunity for your child to be exposed to the trends in STEM education.

Instructor: Charlayne Watkins, Krista Stern
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Maple Road Campus

Program Fee: $300
Sports Fun Camp
7/13/2015 - 7/17/2015
Grades K - 1, 9:00 AM - 3:00 PM
(Section 2)

Join us to bring your child to our sports camp to play a different sport every day. We will play baseball, kickball, football, and more. The rules and positions of each sport will be explained so your child has an opportunity to try something new. This camp teaches hand-eye coordination, speed, agility, and teamwork in a manner that is fun and promotes self-esteem and health.

Instructor: Kim Spampinato
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Go Green Camp
7/13/2015 - 7/17/2015
Grades K - 1, 9:00 AM - 3:00 PM

Learn to become Earth friendly and "Go Green." This camp will explore a variety of crafts using recycled materials. Campers will learn about nature and how things grow. At the end of the week there will be a celebration using all of the homemade decorations. Don't miss this opportunity to enjoy a week filled with green activities and start saving those paper, magazines, and cardboard tubes!

Instructor: Sheryl Klinger
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Broadcasting Camp
7/13/2015 - 7/17/2015
Grades 2 - 4, 9:00 AM - 3:00 PM

Join us to be part of the DCDS broadcast team. Conduct interviews, be an anchor, and help put together a show. Campers will also learn how to address the camera, speak clearly to guests, and become an effective communicator on the big screen.

Instructor: Sarah Hobart
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Dancing Around the World Camp
7/20/2015 - 7/24/2015
Grades K - 1, 9:00 AM - 3:00 PM

Travel the world with us as we explore many cultures through dance. Campers will learn about festival celebrations around the world, dance the Hora, the Macarena, the Hula and an Irish jig. The children will learn simple movements that build balance, coordination and muscle control.

Instructor: Sheryl Klinger
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509
7/20/2015 - 7/24/2015
Grades K - 1, 9:00 AM - 3:00 PM

Football Fun
Maple Road Campus
Program Fee: $300

This camp offers your child a chance to learn about football, the positions, the plays, and teamwork without the contact. We will emphasize play development and skills like hand-eye coordination, speed, and agility without the hitting or tackling. All genders welcome.

Instructor: Kim Spampinato
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

7/20/2015 - 7/24/2015
Grades PK3 - PK4
9:00 AM - 3:00 PM • Full Day
9:00 AM - 12:00 PM • Half Day

Reptiles & Amphibians
Maple Road Campus
Program Fee Full Day: $300
Program Fee Half Day: $200

Reptiles and amphibians are often fascinating to children. The camp will explore the world of these cold-blooded animals through books, crafts, games, and hands-on activities. Campers will learn all about where they live, what they eat, and what makes them special!

Instructor: Kelly Hincks
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

7/20/2015 - 7/24/2015
Grades K - 1, 9:00 AM - 3:00 PM

Safe Kids Camp
Maple Road Campus
Program Fee: $300

Learning good safety habits is integral to keeping children safe. Campers in Safe Kid Camp will learn the importance of water and fire safety, safe habits while riding a bus or bike, and the meaning of street signs and their importance to staying safe on the road. Children will participate in daily activities and corresponding crafts to enhance their understanding of making safe choices. A special graduation ceremony will take place on Friday for all our Safe Kid Camp participants.

Instructor: Erica Engler
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

7/27/2015 - 7/31/2015
Grades 1 – 9, check contact's website

Chess Camp & Kudo Video Game Creation
Thirteen Mile Road
Program Fee: $290 - $515

Chess Camp-USA Chess is the largest and premier chess camp organizer for children in the United States. Their staff is comprised of the finest children's chess instructors in North America. Registration options include mornings, afternoon and all-day sessions. Campers experience chess instruction and play in a fun filled environment designed to improve their skills whether they are interested in casual or competitive chess.

Video Game Creation Camps-Active Learning Services' video game creation camps offer programs that use our custom designed curriculum that provide campers the opportunity to use their creativity as they learn to program a video game using step-by-step instructions while learning about the history of game design, design concepts, game styles and more!

Video Game Creation-Platform Style-In this program, campers will build a game described as a platform game like Sonic or Mario. Starting with a brief overview of basic arcade style video programming, campers will focus their time on learning programming skills that expand their characters movements such as jumping and bouncing between multi level playing fields.

Kudo Video Game Creation-Adventure Style-In this program, campers will have the option of learning how to program using a Microsoft Xbox controller! Children will create their own cool custom world and create tasks that need to be completed in order to progress to the next level. Some of those tasks include escaping a sewer maze, survival mode, outwitting rivals, creating decoys and collecting bonus items all while having fun and using their creativity. The use of a Xbox controller is optional and supplied by the camper.

Program Contact: To register visit: www.activelearningcamps.com or call (888) 652 - 4377.
LEADERSHIP ACADEMY

Leadership Academy Level 1
8/10/2015 - 8/14/2015
Grades 6 - 6, 10:00 AM - 12:00 PM

The Leadership Academy series will provide your child with the opportunity to learn more about the qualities of a leader and give them an opportunity to continue to shape themselves into a leader in school, the community, and within the family.

Level 1: Beginning Leaders is open to students entering Grade 6. The program is designed to introduce students to concepts of Team Culture and Team Building, Vision Setting, Goal Setting, Public Speaking, Personality and Management Styles, and Conflict Resolution using group discussion, hands-on and physical activity, and readings.

Instructor: Kevin DuRoss, Steve Bossert, Dan Luft
Program Contact: Nate Grubaugh at ngrubaugh@dcis.edu or (248) 646 - 7985

Leadership Academy Level 2
8/10/2015 - 8/14/2015
Grades 7, 10:00 AM - 12:00 PM

The Leadership Academy series will provide your child with the opportunity to learn more about the qualities of a leader and give them an opportunity to continue to shape themselves into a leader in school, the community, and within the family.

Level 2: Emerging Leaders is open to students entering Grade 7. Level 2 will foster and build upon the skills discovered by students participating in Level 1. The activities of Level 2 will be tied to the Seven Habits of Highly Effective Teens, a formula that has been made famous by the internationally acclaimed author and speaker Sean Covey.

Instructor: Kevin DuRoss, Steve Bossert, Dan Luft
Program Contact: Nate Grubaugh at ngrubaugh@dcis.edu or (248) 646 - 7985

Leadership Academy Level 3
8/10/2015 - 8/14/2015
Grades 8, 10:00 AM - 12:00 PM

The Leadership Academy series will provide your child with the opportunity to learn more about the qualities of a leader and give them an opportunity to continue to shape themselves into a leader in school, the community, and within the family.

Level 3: Leadership in Action, the capstone of the Leadership Academy, is open to students entering Grade 8. In this level students incorporate the skills gained in Levels 1 and 2, and their personal passions, to explore leadership in school and the surrounding community. This is the opportunity for the class of 2020 to initiate their living legacy.

Instructor: Kevin DuRoss, Steve Bossert, Dan Luft
Program Contact: Nate Grubaugh at ngrubaugh@dcis.edu or (248) 646 - 7985
ARTS

6/15/2015 - 7/10/2015
Grades 9 - 12, 12:30 PM - 4:00 PM

Foundations of Studio Art
Thirteen Mile Campus
Program Fee: $725

This course will prepare students for all studio classes offered at DCDS: painting, drawing, ceramics, sculpture, photography, computer-graphics, jewelry, metals, fibers and textiles. The course is based on a college level foundation emphasizing the Elements and Principles of Art and Visual Design. It is a project based class with a cultural and historical framework to better understand the building blocks of all art. Students who complete this course will receive .5 credit toward the one full art credit graduation requirement.

Rising Stars Drama Camp
Maple Road Campus
Program Fee: $300

Lights! Camera! Action! Campers will use their bodies, voices, minds, and creative imagination to explore both classic and contemporary stories. This camp encourages creative expression, confidence and self-esteem while working on skills such as active listening and sharing. The campers will perform the last day of camp.

Instructor: Elizabeth Mezzacapo
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509
Acting is a craft, not unlike any other craft; it can be taught, practiced and perfected. In Taking the Stage, we do just that. Utilizing improvisational games, scripted materials and confidence-building exercises, experienced actor and Upper School theatre director Brett Salamin will help to take your child to the higher level of performance. Whether you're hoping for a part in the next big musical or just more confidence in the classroom, this camp will expose your child to techniques and exercises that will improve their performance on and off the stage.

Instructor: Brett Salamin
Program Contact: Brett Salamin at brsalamin@dcds.edu or (810) 599-5717

Building confidence is one the pillars to success in the classroom. What better way to do this than by taking the stage and developing the character within your child. Working with experienced actor and Upper School theatre director, Brett Salamin, your child will not only gain confidence, but will also be given the tools necessary to begin their journey on stage. Whether your child has no experience or has already graced the DCDS or community stage, this program will enhance their skills and provide a fun and engaging experience.

Instructor: Brett Salamin
Program Contact: Brett Salamin at brsalamin@dcds.edu or (810) 599-5717

Developing an artistic mind can be transformative and rewarding. This art camp is filled with creative, unique, and exciting projects to stimulate the imagination. Each day campers will be inspired by a new artist and encouraged to explore new creations and techniques using a variety of mediums.

Instructor: Melissa Parks, Sarah Kitchen
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

This camp will be a fun-filled week of making artsy creations from Pinterest.

Instructor: Codee Tiano

7/6/2015 - 7/10/2015
Grades K - 2, 9:00 AM - 3:00 PM

Join this all-girls camp to learn to play basketball, volleyball, track, yoga, and more. Each girl will create their own sports journal to
track what they have learned and their reflection on the new skills they will acquire.

Instructor: Marta Krussman
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Sports Fun Camp

7/13/2015 - 7/17/2015
Grades K - 1, 9:00 AM - 3:00 PM

(Section 2)

Bring your child to our sports camp to play a different sport every day. We will play baseball, kickball, football, and more. The rules
and positions of each sport will be explained so your child has an opportunity to try something new. This camp teaches hand-eye
coordination, speed, agility, and teamwork in a manner that is fun and promotes self-esteem and health.

Instructor: Kim Spampinato
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Field Hockey Camp

7/15/2015 - 7/17/2015
Grades 9 - 12, 9:00 AM - 11:30 AM

Players will enhance and improve basic skills and game play.

Instructor: Mia Jafari, Katie Geyman
Program Contact: Katie Geyman at kgeyman@dcds.edu or (586) 907-1448
DCDS Soccer Academy Regular Camp

7/20/2015 - 7/24/2015
Grades 3 - 8, 9:00 AM - 12:00 PM

Soccer players interested in increasing their skill and experience will have fun working with DCDS coaches during this camp. Players should bring their own ball, shin guards, and water bottle.

Instructor: Bob Bukari, Laura Hamway
Program Contact: Steve Bossert at sbossert@dcds.edu or (248) 430-3666

DCDS Soccer Academy Advanced Camp

7/20/2015 - 7/24/2015
Grades 3 - 8, 9:00 AM - 3:00 PM

Experienced soccer players will work with DCDS coaches to increase their skills and knowledge of the game. Players bring their own ball, shin guards, and water bottle. Please bring both cleats and trainers. Players should bring their own peanut free lunch.

Instructor: Bob Bukari, Laura Hamway
Program Contact: Steve Bossert at sbossert@dcds.edu or (248) 430-3666

Football Fun

7/20/2015 - 7/24/2015
Grades K - 1, 9:00 AM - 3:00 PM

This camp offers your child a chance to learn about football, the positions, the plays, and teamwork without the contact. We will emphasize play development and skills like hand-eye coordination, speed, and agility without the hitting or tackling. All genders welcome.

Instructor: Kim Spampinato
Program Contact: Sharon Deighton at sdeighton@dcds.edu or (248) 539-0509

Jr. Jacket DCDS Soccer Academy Mini Camp

7/20/2015 - 7/24/2015
Grades PK3 - 2, 9:30:00 AM - 11:30 AM

Enhance your child's soccer skills with the Junior Jacket staff including Mrs. Laura Hamway. Campers will learn and improve basic soccer skills in a fun and exciting environment.

Instructor: Bob Bukari, Laura Hamway
Program Contact: Steve Bossert at sbossert@dcds.edu or (248) 430-3666
Middle School Sports Fun Camp

7/27/2015 - 7/31/2015
Grades 6 - 8, 9:00 AM - 2:45 PM

Middle school age campers that enjoy sports and competing in different kinds of individual or team games benefit from this camp. Campers will learn and practice skills and strategy while competing in a variety of different sports. Discussions will be held during the lunch hour regarding teamwork and character to increase the camper's leadership skills within sports. Campers should bring proper athletic attire, water bottle, athletic training shoes, and a nut-free lunch.

Instructor: TBA
Program Contact: Steve Bossert at sbossert@dcds.edu or (248) 430-3666

Women's Ice Hockey Summer Camp

8/18/2015 - 8/20/2015
Grades 7 - 12, 10:00 AM - 12:00 PM

The coaching staff for the women's varsity ice hockey team would like to conduct a summer camp/player evaluation. The summer skates will allow players to work on skill development as well as prepare for the upcoming season.

Instructor: Michelle Belke, Rachel Hardwick
Program Contact: Tom Ricketts at tricketts@dcds.edu or (248) 866-0761

This program is run by Detroit Country Day boys’ basketball coaching staff. Basketball players will work on fundamental skills development and participate in games and contests. Players should wear a T-shirt, shorts and basketball shoes. Players should bring a water bottle and their own peanut free lunch that doesn’t need refrigeration.

Instructor: DCDS Basketball Coaches
Program Contact: Mark Bray at mbray@dcds.edu
