

If you prefer electronic cards with auto payment

“How To” Guide for E-Gift Cards

The DCDS Earning for Learning (E4L) Scrip (gift card) program allows you to order gift cards online and receive e-cards instantly on a phone or computer. E-card payments are streamlined and set up for automatic deductions from a bank account. The detailed instructions below guide you through the process. There is a little bit of time lag required for communication during the initial set-up process to ensure security, but it is worth it! After these three initial set-up steps, shopping for cards is quick and easy. You may purchase cards 24/7, on your phone, even while you are waiting in line at a retailer, and allow your family members to access the cards from their own phones.

1. Register with ShopWithScrip (One time)

Even if you have purchased gift cards previously by emailing E4L or submitting a paper order form, it is necessary to create your own personal online account and login information.

1. Go to www.shopwithscrip.com.
2. Join a Scrip program - Enter DCDS enrollment code – 6CA2LB1422346,
3. You will receive an email from ShopWithScrip with important information about your account: “Welcome to ShopWithScrip”.

2. Sign up for PrestoPay (One time)

PrestoPay is a convenient way to pay for cards automatically. Payment is deducted from your checking account at the time of order. (This eliminates the need to send checks to DCDS and wait for cards.) After completing this one-time sign up and approval process, you may shop for e-cards any time and have them fulfilled instantly and automatically paid.

1. Go to www.shopwithscrip.com and create a sign in if you don't have one already.
2. Navigate to PrestoPay by clicking on your email (listed in the upper right corner), then “account” (in the drop down), then “family functions” (on the left) and “PrestoPay”.
3. Enter your bank account and account information.
4. Monitor your designated bank account for small verification deposits which will come from “GL Scrip Center PP” (this may take several days.)
5. Return to shopwithscrip.com to finish PrestoPay sign-up, including selecting a 4-digit PIN.
6. ShopWithScrip system will provide a (different) 4-digit Approval Code.
7. Email your 4-digit Approval Code to our DCDS E4L administrator at earningforlearning@dcds.edu.
Note: you will not be enrolled until you complete this step.
8. You will receive an email confirming your enrollment in PrestoPay.

3. Shop and redeem on your computer or your phone! (Every time you need cards!)

1. Go to MyScripWallet.com on your mobile device. It is not an app but a website that can be accessed from any cell phone or computer. Login with your normal ShopWithScrip username, password and PIN.
2. Select and purchase your cards and amounts in seconds. Payments are automatic.
3. Most gift cards will appear within seconds on your phone. It's quick and easy!

Thanks for supporting DCDS fundraising efforts through E4L!
