

Dr. Bill Vasilios, MD

Team Physician – Orthopaedics, Sports Medicine

A former Division I men's volleyball player, Dr. Bill Moutzouros is a graduate of Loyola University of Chicago. He completed his orthopaedic residency at Tufts - New England Medical Center, and is sports medicine fellowship-trained from the Cleveland Clinic. Since 2007, through DCDS' relationship with Henry Ford Hospital, he has worked primarily with our men's hockey and lacrosse programs, as well as provided bi-monthly clinics in the training room for our injured student-athletes.
